Dear Mr. Teufl,

On behalf of the staff of the Save Japan Dolphins initiative at Earth Island Institute, we would like to express our appreciation to you and the staff of Aquarius Natural Products your generous donation of \$1000.

This donation will provide necessary support for efforts to protect dolphins in Taiji, Japan from the cruel and inhumane dolphin drive fishery. It will also assist efforts to prevent the capture of dolphins for transport to captive facilities around the world.

Earth Island Institute is a tax-deductible non-profit organization and your donation is deductible to the full extent allowed by law.

Best of luck with the efforts of Aquarius Natural Products and please feel free to contact me if you have any questions, and again our thanks for your caring about dolphins.

Best Regards,

David Phillips  
Director, International Marine Mammal Project
